Subject: City's Soutatus/Purchase Methodist Hospital

Mayor Nagin,

What is the current status/position on the purchase of the Methodist Hospital by the City of New Orleans? We really need your support to finalize this desperately needed service for our Community. We have worked so hard to get to this point. Please tell me this is going to get done before you leave office. I look forward to your response.

Debbie D. Gordon
ENONAC Secretary

We are working it hard and are very close. The Mayor Elect has recently said he wants us to stop and not purchase. As you know we have a close deadline of the end of this month. Hopefully we can get it done.

2010: We made it Happen
Mayor C. Ray Nagin
City of New Orleans
